

Parent & Student Class Protocols 2021 – 2022

Registration and Payment

- Enrollment is available on a first-come, first-serve basis.
- All students must pre-register for classes & workshops. No daily drop-ins.
- In the case of a dancer being denied access to a workshop or class due to symptoms compatible with COVID-19, parents can request a refund or credit for the pro-rated amount of their enrollment fee for services not rendered.
- In the case of an entire workshop or class closure due to COVID-19 related illness, parents will receive a refund or credit for the pro-rated amount of their enrollment fee for services not rendered.
- Should a teacher become ill due to a COVID related illness and classes need to be cancelled or postponed due to lack of available substitutes, registrants will be contacted. We will do our best to cover classes, but cannot guarantee the class can continue.

Minimizing virus transmission through physical distancing

- Dancers will be encouraged to continue using social distancing for the year.
- Dancers MUST arrive to their workshop or class with their dance attire already on, cover-up over. Dressing rooms are not available. Parents may not enter studio to help dress.
- No water fountains will be used during classes. Dancers will be required to bring their own clean, labeled water bottle (minimum of 12 oz.) each day, can be refilled near the studio.

Drop off & Pick up Procedures

- Parents are not allowed inside any Footlight studio to drop-off or pick-up their child(ren).
- Curbside drop-off and pick-up will occur outside the SW entrance of the Community Campus next to the Dance Studio, at the North doors of the YMCA, at the East door of Studio Move with the exit at the West door of Studio Move, at the South door of the Grange Hall with the exit out the East door of the Grange.
- Drop-off will be available 15 minutes prior to a workshop or class starting. Dancer drop-offs or pick-ups outside of this timeframe are discouraged as an individual screening needs to be done before entering studio. Pick-up is the same, max. 15 minutes following a workshop or class ending.
- At drop-off, dancers will be asked about symptoms compatible with COVID-19 or other illnesses. Parents will be asked to be on the alert for signs of illness in their children and to keep them home when they are sick.

Intensified cleaning and disinfection efforts

- Hand hygiene stations will be set up at the entrance of each facility. Dancers are required to clean their hands prior to entering the building. If a sink with soap and water is not available, we will provide hand sanitizer with at least 60% alcohol.
- Dancers and faculty will be required to wash hands or use hand sanitizer before allowing participation, directly after participation, before and after snack/lunch, and after touching shared surfaces.
- An intensified cleaning and disinfecting routine has been implemented in concert with the Blaine County School District (BCSD), YMCA, Studio Move and Grange Hall custodial staff to include frequent disinfecting of shared equipment and high touched surfaces. Every evening after class hours, BCSD, YMCA, Studio Move and Grange Hall custodial staff will disinfect all meeting and common spaces including frequently touched surfaces.
