FALL NEWS:

Studio Move in Ketchum – Leah Taylor & I are taking over the rental of Studio Move – if you are interested in holding a movement class, having a Birthday party, etc. – let us know so we can help to pay the rent. This year there is a price increase in our tuition, as we have not raised our rates for 10 years and our costs have risen dramatically in the last couple of years. We are doing our best to keep costs down so all can dance and maintain a quality program. Thank you for understanding.
